NOT DONE TAKING IN!

As my Company is the last Infantry Company organized in Guilford, and judging from the Proclamation by the Governor, it may be the last received by the State, I desire a few more men to join me immediately. I will leave on Monday, 5th inst., and persons desiring to join, who do not have an opportunity before that time, can report to my Company at Camp Mangum, near Raleigh. All have had ample time to study the Conscription Law, and must know that all between 18 and 35 years of age will have no opportunity to volunteer after the 17th inst. Come in and save the bounty, as no bounty will be paid after the 17th. Those having unsettled business will be allowed time to wind up.

Capt. Gregory, an able officer, is now in this County legally authorized to raise an Artillery Company, and those preferring this beautiful arm of the service, will never have a better opportunity.

The following order from Gov. Clark is published for your instruction:

"All Companies authorized by the Governor to be raised prior to the passage of the law known as the Conscription Bill," must come to Camp Mangum near Raleigh, before the 17th day of May; otherwise they will not be received.

All those not in by that time will be subject to the War Department under that law, and had better remain at home till ordered by that Department."

W. P. WATLINGTON, Capt.
